

**PLEASE READ VERY IMPORTANT
Balikbayan box SAFETY!**

Please advice your relatives (receivers) of the NEW SECURITY measures we are implementing. This system will further GUARD SAFE your box (es) in terms of missing items..

If boxes are received without the specified SEALS then tell consignee that they should tell the delivery guys and also write on the delivery form that seal was not intact

If boxes are received with the SEAL intact, any claims for missing items will not be recognized.

Paki sabihan ang mga tatanggap ng mga kahon na mayroong bagong SECURITY measures na ipapatupad namin. Itong systemang ito ay makaka-tulong sa protekson ng mga kahong pinadadala upang maiwasan na mawalan ng gamit.

Paki sabihan ang tatanggap na pag napansing hindi maayos ang SEAL, dapat ay ipaalam sa delivery guy at isulat sa delivery form na hindi maayos ang SEAL.

Kung natanggap ang kahon na maayos ang SEAL, impossibleng may mawala at ang mga CLAIMS ay mababaliwala.
